

CASEY BEEFMASTERS

Translated:

Excelling Without Depending On Feed!

“Casey 5-48” CSS Semen & Herd Sire

*Ted Cain, Cain Cattle Co., upon seeing 5-48 October 7, 2010 —
“I hope he bred them all” (referring to the females Ted purchased)*

Unretouched range photographs

SURVIVAL – VALUE OF THE SIX ESSENTIALS – LESS INPUT COSTS = MORE PROFITS – GENTLE DISPOSITION – PERFORMANCE ON A GLOBAL SCALE AND TOUGHNESS.

IF you are interested in CSS Semen from **FUNCTIONAL** bulls that aren't fed to be fat and pretty, known for their **GENTLE DISPOSITION**, have more than **SURVIVED** in South Texas during the drought of the 1950s and the brutal winters of eastern Colorado, repeatedly prove their value in **TOUGH** environments abroad and here, and have never **CHASED FADS** in the cattle industry, please **EMAIL OR CALL US!**

**Casey Beefmaster
CSS Semen Bull 4-35**

*(Owned by Cain Cattle Co., contact
Casey Beefmasters for CSS semen)*

CSS SEMEN: \$15-\$20 per straw / 10 straw minimum / FOB Elgin, Texas

Bulls & Females Available Private Treaty
