

Converting Grass To Muscle Is What CASEY BEEFMASTERS Are Known For – The Welfare Truck Never Made It Here

“Casey 5-48” CSS Semen & Herd Sire

Ted Cain, Cain Cattle Co., upon seeing 5-48 October 7, 2010 —
“I hope he bred them all” (referring to the open females Ted purchased)

Unretouched range photographs

**Casey Beefmaster
CSS Semen Bull 4-35**
(Owned by Cain Cattle Co., contact
Casey Beefmasters for CSS semen)

IF you are interested in CSS Semen from **FUNCTIONAL** bulls that aren't fed to be fat and pretty, known for their **DISPOSITION**, have more than **SURVIVED** in South Texas during the drought of the 1950s and the brutal winters of eastern Colorado, repeatedly prove their value in **TOUGH** environments abroad and here, and have never **CHASED FADS** in the cattle industry, please **EMAIL OR CALL US!**

**CSS SEMEN: \$15-\$20 per straw,
10 straw minimum / FOB Elgin, Texas**
